ORGANISATION

WEST DORSET TRIP – DRIVERS

ABOUT THIS OPPORTUNITY

HOW CAN YOU HELP?

Why not join our happy band of volunteer drivers in West Dorset

Volunteers play a vital part in helping TRIP carry out its role of providing transport solutions to people in need in West Dorset and East Devon. Volunteers help provide transport for over 5000 people attending medical appointments per year in the Honiton, Seaton and Lyme Regis areas alone. Without the help given by these volunteers, a large number of unwell people wouldn't be able to attend their appointments.

AVAILABILITY

Flexible hours are required. Mileage will be reimbursed.
